Word Sleuth

Your job is to make a list of interesting words from the book. Put a sticky note under each word that you choose. List the word, page number and definition of the word on the sheet provided. During your literature circle, share the words with your group. See if they can tell you the meanings of the words.
Word Sleuth

Book Title ________________________________

Find words in your reading that are interesting to you. List them below with the page number and definition from the dictionary. List as many as you would like.

Word ___________________  Page ____________

Definition ______________________________________________________

______________________________________________________________

Word ___________________  Page ____________

Definition ______________________________________________________

______________________________________________________________

Word ___________________  Page ____________

Definition ______________________________________________________

Reading Responses

I wonder...
I feel...
I predict...
I think...
I liked it when...
This reminds me of...
I didn’t like it when...
I hope...
I learned...
I’m confused about...
If I was the character, I...
My favorite character is...
My least favorite character is...
